Modernization or Development.

On April 17, 2025, the HAPB received SAC approval to modify its prior SAC approval with respect to the disposition of property known as Blanche Ely Estates. The HAPB is now embarking on a plan to revitalize the Blanche Ely community with two separate projects, both of which will provide affordable housing opportunities to Pompano Beach residents. The site (19.70 acres +/-) is divided by N. W. 6th Ave (a public road), which simplifies the division of the site. The Western portion of the site, "Parcel A," consists of 11.46 +/- acres and is projected for mixed-income homeownership single-family homes through a Community Land Trust (CLT), which will serve residents from 80% to 120% of the Area Median Income (AMI). The HAPB proposes to self-develop 36 one- to two-story for-sale single-family homes with up to 4 bedrooms on 11.46 acres (on the west side). Parcel A will be disposed of to Housing 360 Community Land Trust, Inc., a 501 (c)(3) not-for-profit instrumentality of the HAPB, which is a CLT. The CLT, through a lease and deed restriction, will hold the land in perpetuity for affordable homeownership and sell the improvements (houses) to individuals for homeownership. The Eastern portion of the site, "Parcel B," consists of 8.24 +/- acres and will be utilized for multifamily rental housing serving residents at or below 80% AMI. Parcel B will be disposed of to Housing 360 Corporation, a 501 (c)(3) not-for-profit instrumentality of the HAPB, which acts as a development arm of the HAPB. We plan to build 78 townhome/villa-style units, including 2-, 3-, and 4-bedroom rentals.

Conversion of Public Housing to Project-Based Assistance under RAD.

On January 9, 2007, the Housing Authority of the City of Pompano Beach "HAPB" received the approval for the demolition of the Blanche Ely Estate property due to severe damage from a named storm. The demolition of the property was completed shortly thereafter, and the property has remained vacant for almost 20 years. Recently the HAPB is embarking on a plan for revitalizing the Blanche Ely community with two separate projects, both of which will provide affordable housing opportunities to the residents of Pompano Beach. The overall site (19.70 acres +/-) is divided by N.W. 6th Ave (a public road), which simplifies the division of the site. The Western portion of the site "Parcel A" consists of 11.46 +/- acres and is projected for mixed-income homeownership single family homes through a Community Land Trust "CLT" which will serve residents from 80% to 120% of the Area Median Income "AMI". The Eastern portion of the site "Parcel B" consists of 8.24 +/- acres will be utilized for multifamily rental housing serving residents at or below 80% AMI and which is the subject of this restore rebuild application. Adderly Cove is proposed to be a 78-unit townhome complex with community room and amenities geared towards families. Community meetings have been held, and the community is in favor of the proposed development. The neighboring community and areas around the development are undergoing revitalization with CRA support other projects to encourage neighborhood and community The Housing Authority of Pompano Beach (HAPB) seeks to transform a vacant 8.24-acre site, located at 1670 NW 6th Avenue, into Adderly Cove, a 78-unit affordable multifamily housing complex for households earning up to 80% AMI, with unit sizes ranging from 2-bedroom to 4-bedroom units in rowhouse-style buildings, with each building containing 4 or 6 units. 28 units will be 2-bedroom one-story units,

	another 28 will be 3-bedroom, 2-bathroom two-story units, and the remaining 22 will be 4-bedroom, 3-bathroom two-story units. The proposed development will provide onsite amenities such as a clubhouse, consisting of two offices, a kitchenette, an all-purpose room, a covered porch, and a maintenance closet. There will be a total of 160 parking spaces allotted for the project, and every unit will have hookups for in-unit washers and dryers. HAPB envisioned this development around four core values: Housing & Stability, Economic Empowerment, Community Revitalization, and Partnerships & Innovation. HAPB strives to deliver safe, high-quality affordable housing to low- and moderate-income households, ensuring everyone has access to dignified and sustainable living options. Adderly Cove is a major part of a larger goal of community revitalization: transforming neighborhoods through thoughtful and inclusive redevelopment that connects housing to vibrant, safe, and sustainable communities. All 78 units in Adderly Cove will be affordable using PBVs allocated to HAPB through the restore-rebuild program, funded by Tax Exempt Bonds with 4% Tax Credits and other sources. Homeownership Program under Section 32, 9 or 8(Y) We are committed to expanding homeownership opportunities through the establishment of a Community Land Trust (CLT) homeownership program. In tandem, we will actively pursue partnerships with organizations that provide Homebuyer Education to support and empower our eligible families. As we move forward with the development of thirty-six (36) single-family homes, we will also evaluate the implementation of the Housing Choice Voucher (HCV) Homeownership Program. This initiative would enable families currently participating in our HCV program to pursue homeownership, either within our ownership portfolio or on the open market. Through this program, our PHA would be able to offer voucher assistance to qualified families for the purchase of a home intended for their primary residence. (c) If using Project-Based Vouchers, provide the projected number of project-based units, general locations, and describe how project-basing would be consistent with the PHA Plan. (d) The PHA must submit its Deconcentration Policy for Field Office Review.
